meeting with Mr. Chief, Operations, Satellite Operations Center (SOC), and Mr. C/COMMO/FA/OSA, on the subject of data link requirements for support of the SOC. Mr. expressed the opinion this was not an appropriate time to have the meeting in view of pending high level policy decisions which could change all the requirements.

AD/FA/OSA, an attempt was made on 2 April 1964 to have a

In compliance with verbal directives from the

2. Mr. was so advised. AD/FA/OSA, was also verbally advised this date.
